## LET EVERY CHILD PLAY!

The Boys & Girls Club of Kenosha can be considered the City of Kenosha's youth recreation department providing a wide array of leagues, clinics and camps for youth ages 4-18. Sports Fees are kept low in order to provide families a way to get their kids involved in positive, after school activities.

In 2016, the Boys & Girls Club provided 537 Scholarships totaling \$22,760.

**Your support in this area will allow us to continue assisting families in enrolling their children in sports!**
