From 2015 to 2019, budgeted expenses have risen from \$2.3 million to \$3.1 million, due to program attendance increasing by 140%.

While it's costing the Club more to reach more kids, the fee to attend has remained steady at just \$20 per year per child, or 7 cents per day.

We need your help to continue to grow and reach more kids who need us!

In order to be considered a Circle of Impact partner, we ask that you give an unrestricted amount towards "Sponsor a Member" on your pledge sheet.
