About the Scholarship
Herzing University has pledged to award up to fifty scholarships to members of the Boys & Girls Club who enroll in an associate or bachelor's degree program at Herzing University after graduating from high school. A scholarship committee consisting of representatives from both Herzing University and Boys & Girls Club will select scholarship recipients. The scholarship is intended to be a "debt-free full-ride", which means the cost of all tuition, fees, and books will be covered in full after federal, state, institutional, and other grants or scholarships are applied for and accepted by the student, when eligible.

Required Application Materials
- A copy of your high school transcript (preference given to students with higher GPAs).

- Two letters of recommendation. At least one recommendation must be from the Club Manager or the Careers and Education Coordinator from your Boys & Girls Club location. One recommendation may be from a teacher or employer/manager.

- A 500 to 1000 word essay that addresses the following question: *How has the Boys & Girls Club and community involvement/volunteer work impacted your life and career goals?*

How to Apply
To apply, students must submit this form and all required application materials listed above to BGCscholarships@herzing.edu.

Any questions about the scholarship and/or application process can be directed to BGCscholarships@herzing.edu, your Herzing Financial Aid Advisor and/or your Boys and Girls Club representative.
